

Dreamlover

I gotta keep my eyes of you,
Cause you're too good, too good to be true.
I gotta keep my hands of you,
Cause I'd regret the things that you could make me do.

I gotta keep my heart so far away from you
Cause it wouldn't take so long till that ones broken too
I gotta keep myself from you,
But I will love you secretly, yes you're perfect too

Be my dreamlover, yes you are
Be my dreamlover, there's nothing I couldn't make you do,
You're my dreamlover, ohoh
Yes you're my dreamlover.

My imagination of you is so much better than you could ever be
My imagination of you is so much better than anyone could ever be
Yes I'm dreaming and I'm loving
A man who cannot be real.

You're my dreamlover, yes you are
Be my dreamlover, there's nothing I couldn't make you do,
You're my dreamlover, ohoh
Yes you're my dreamlover.
