

## Feels right

Knowing you forces me out of my comfort zone.  
Knowing you makes me enjoy losing control.

You got me right, where you want me.  
And I feel that's right where I belong to be  
Tonight.

Yes I've been seeking and turning my life around  
To find someone who's nothing, oh nothing, oh nothing like you.  
Now I cannot emphasize enough, how much I love  
That life does whatever it wants to do.

You got me right, where you want me.  
And I feel that's right where I belong to be  
Tonight.

Guitar Solo

Yes you got me right, where you want me.  
And I feel that's right where I belong to be  
Tonight.
