

The ride

Took a seat on an old train,
don't know where it goes.
People get on, people get off,
no one seems to know.
Most of them leave just after a while
some of them leave reason to smile
Just a few will join me till the end.

Till I've gone through everything I need to see
Till I've grown to the person I belong to be

I'm on my way, don't know where I go
But anyway, the ride's the better show
I'm on my way, on my way.

We've travelled through landscapes,
The prettiest, I have ever seen.
Covered in sunlight,
How often I forget to enjoy these real life movie scenes.
Sometimes it rains, sometimes it snows,
Sometimes it seems like all the stories have been told.
But every tunnel, as dark as it may be- it ends.

So while we're here, let's have a good time.

I'm on my way, I don't know where to go
But anyway, the ride's the better show.
Yes I'm on my way, I don't know where to go
but anyway, the ride's the better show.

I'm on my way, I'm on my way. 1,2,3,4
I'm on my way, I'm on my way.

So while we're here, let's have a good time.

I'm on my way, I don't know where to go
But anyway, the ride's the better show.
Yes I'm on my way, I don't know where to go,
But anyway, the ride's the better show.
